## To Whomsoever It May Concern

This is to certify that **M/S EnergySolution Labs Pvt. Ltd** - ESL has successfully implemented the Energy Management System (EMS) product **MARC** at our **BORL (Bharat Oman Refineries Limited) Gujarat**.

Since March 2019, ESL has deployed **MARC system** to monitor energy meters installed in our 66 KV Substation area. User can monitor each feeders load status. It helps us to monitor the power consumption to identifying losses, low power factor areas, for taking corrective action accordingly whenever required.

ESL has provided some custom reports to make our daily energy consumption analysis.

Support after sales receiving from ESL team whenever required is also appreciable.

Thanking you,

Mr. Amitkumar Parmar.  
Dy.Manager Elect.  
BORL.
