To Whomsoever It May Concern

This is to certify that **M/S Energy Solution Labs Pvt. Ltd** - ESL (100% subsidiary of **M/S Rishabh Instruments Pvt. Ltd. - Nasik**) has successfully implemented the Energy Management System (EMS) product **MARC** at our **MIMS Hospital (Maharajah's Institute of Medical Sciences – Andhra Pradesh)**.

Since July 2019, ESL has deployed **MARC system** to monitor energy meters installed in our Hospital & Medical College area. User can monitor each building & DG sets load status. The analytic's offered in the MARC system is very useful for getting actionable alerts towards energy conservation and equipments through-put along with operator's performance. ESL has provided some custom reports to make our daily energy consumption analysis more effective and to make more actionable road map for energy conservation task.

Support after sales receiving from ESL team whenever required is also appreciable. We strongly recommend ESL products and services for such monitoring requirement.

Thanking you,
