To Whomsoever It May Concern

We here by certify that, Energy Management System software "RishEMS", supplied by **M/s Rishabh Instruments Pvt. Limited (www.rishabh.co.in), Nashik (India)** is working satisfactorily since Jan-2016.

RishEMS helps us to monitor our plant's energy consumption, the data is beneficial to identify losses, low Power Factor areas for taking corrective actions accordingly whenever required. The system also helps us for calculating Specific Energy Consumption precisely. Rishabh Instruments offered customized EMS system to meet our specific requirements like integrating our existing assets i.e. **third party energy meters**. We have customized the solution as per our day to day monitoring and MIS report analysis.

Being an overseas project, it was executed remotely to minimize execution cost without any delay.

Also we appreciate the prompt service support after sales provided by EMS team.
