To Whomsoever It May Concern

This is to certify that **M/S Energy Solution Labs Pvt. Ltd - ESL** (100% subsidiary of **M/S Rishabh Instruments Pvt. Ltd. - Nasik**) has successfully implemented the Online monitoring solution **MARC** at our **Deepak Phenolics Ltd, Dahej Industrial Estate)** to monitor all electrical parameters of Power Quality Analyser.

Since Oct 2019, ESL has deployed **MARC system** to monitor Power Quality Analyser installed in our plant area. We can monitor each parameter of PQA. **MARC** system helps us as a tool for energy monitoring and Power Quality. PQA was installed at remote location which is not easy accessible to the human being. Being the chemical industry human safety is prime goal of Deepak Phenolics LTD, **MARC** platform help us monitor all electrical parameters at central location including on mobile app.

For each parameter monthly/weekly/daily reports can be generated with graph. This makes energy consumption analysis more effective. The great feature of **MARC** system we utilizing is it can be used anywhere and on any smart device. Support after sales receiving from ESL team whenever required is also appreciable.

Thanking you,
