To Whomsoever It May Concern

This is to certify that M/S EnergySolution Labs Pvt. Ltd - ESL (100% subsidiary of M/S Rishabh Instruments Pvt. Ltd. - Nashik) has successfully implemented the Energy Management System (EMS) at our Arkay Logistics Limited, Previously known as Essar Logistics Limited (ELL).

Since Oct 2012, ESL has deployed **MARC system** to monitor energy meters installed on main Incomer panels and outgoing Feeders. Using MARC, we can monitor each feeder status along with its energy consumption. The analytics offered in the MARC system is very useful for getting actionable alerts towards energy conservation. The custom excel report give insights of the power distribution in plant and we can identify the department wise energy uses along with energy leakages if any on daily basis.

Support after sales receiving from ESL team is also appreciable. We recommend ESL products and services for such monitoring requirement.

Thanking you,

Mr. Jaimin Dave

For, Arkay Logistics Limited
