## To Whomsoever It May Concern

This is to certify that **M/S Energy Solution Labs Pvt. Ltd** - ESL (100% subsidiary of **M/S Rishabh Instruments Pvt. Ltd. - Nashik**) has successfully implemented the Energy Management System (EMS) product **MARC** at our CIPLA LTD.Plant (Panel Mumbai Maharashtra)

Since Jan 2014, ESL has deployed **MARC system** to monitor Mufti-function energy meters installed in our Electrical Room area (Incomers, Compressors, Feeders). We are monitoring each Compressors, Feeders electrical data on **MARC** system which helps us as a tool for energy monitoring as well as scheduling energy conservation activities.

**MARC** system also help us to monitor machine/Feeder through-put along with operator's performance. With the help of **Marc system custom report** feature, we are able to design custom reports to make our daily energy consumption analysis more effective and to make more actionable activities for energy conservation goal.

every important electrical parameter on the go & in short duration we are able to compare the today's data with the historical data, which will help us to see the bigger picture and get the maximum benefit over the time.

Support after sales receiving from ESL team whenever required is also appreciable. We recommend ESL products and services for such monitoring requirement. Service provided in the COVID-19 Lockdown is par excellence.

Thanking you,

Mr. Haresh Thale  
Assistant Manager
