## To whomsoever it may concern

This is to certify that **M/S Energy Solution Labs Pvt. Limited** (have successfully supplied the Energy Management System ("**MARC.Desktop**") solution in the month of May 2020 in our one of our Estidama project.

MARC.Desktop software was customized as per the requirements of **Estidama standard** required in UAE for electrical as well as water consumption management. Along with this customization, customer is using standard reports offered in MARC system which are very much useful for daily energy tracking and taking actions towards energy conservation.

The ESL team has successfully executed this project remotely in the period of pandemic COVID-19 situation.

Thanking you,

For **Gama Elect. Tr.**
